

# Food availability, 2011

Released at 8:30 a.m. Eastern time in *The Daily*, Monday, April 2, 2012

---

Data on the food availability per person of selected animal products, including meats, poultry, eggs and fish, and data on the supply and disposition of these products are now available for 2011.

## **Note to readers**

*The food availability data series is the result of a partnership between Agriculture and Agri-Food Canada and Statistics Canada.*

*Food availability data for the remaining commodities will be released on May 28, 2012.*

**Available without charge in CANSIM: tables 002-0010, 002-0011 and 002-0019.**

**Definitions, data sources and methods: survey number 3475.**

[Data tables](#) are also available from the *Key resource* module of our website under *Summary tables*.
