

Capital stock data required by the Fiscal Arrangements Act, 2011

Released at 8:30 a.m. Eastern time in *The Daily*, Friday, November 30, 2012

Selected current dollar net capital stock and depreciation data—required by the *Fiscal Arrangements Act*—are now available for 2008 to 2011. Data include non-residential net capital stock, farm net capital stock and depreciation, all based on a linear depreciation method. The data are available in a spreadsheet on request.

These data are consistent with the revised Canadian System of National Accounts.

Definitions, data sources and methods: survey number 2820.
