

2011 National Household Survey announcement: new release date

Released at 8:30 a.m. Eastern time in The Daily, Wednesday, August 14, 2013

The release of the third and final set of data from the 2011 National Household Survey is postponed to September 11, 2013. The release focuses on income, earnings, housing and shelter costs.

Statistics Canada found issues in data processing that need to be addressed prior to release.

All the data previously released from the National Household Survey are not affected.
