## Note to readers

The Commercial Rents Services Price Index (CRSPI) is a monthly index that is disseminated on a quarterly basis. Prices collected are average rents measured in price per square foot for a sample of commercial buildings.

With each release, data for the previous quarter may have been revised. The series is also subject to an annual revision with the release of second quarter data of the following reference year. The index is not seasonally adjusted. The CRSPI is available at the Canada level only.
