

# Infographic: The faces of volunteers in Canada, 2013

Released at 8:30 a.m. Eastern time in *The Daily*, Wednesday, April 8, 2015

---

An infographic illustrating data on volunteering in Canada is now available. Data cover the age, sex and education level of volunteers, as well as hours volunteered and the volunteering rate.

Data are primarily from the 2013 General Social Survey on Giving, Volunteering and Participating, which was undertaken to better understand how Canadians support individuals and communities on their own or through their involvement with charitable and non-profit organizations.

**Definitions, data sources and methods: survey number [4430](#).**

The infographic "The Faces of Volunteers in Canada," which is part of the publication *Statistics Canada – Infographics (11-627-M)*, is now available from the *Browse by key resource* module of our website under *Publications*.
