

Education Indicators in Canada, October 2015

Released at 8:30 a.m. Eastern time in *The Daily*, Monday, October 26, 2015

The publication *Education Indicators in Canada: Report of the Pan-Canadian Education Indicators Program* is now available.

This report presents education indicators for all of Canada, the provinces, the territories, as well as selected international comparisons and comparisons over time.

The Pan-Canadian Education Indicators Program draws from a wide variety of data sources to provide information on the school-age population; financing education systems; elementary and secondary education; postsecondary education; and transitions and outcomes.

Note to readers

The Pan-Canadian Education Indicators Program is an ongoing initiative of the Canadian Education Statistics Council, a partnership between Statistics Canada and the Council of Ministers of Education (Canada) that provides a set of statistical measures on education systems in Canada.
