

Canadian Classification of Institutional Units and Sectors, 2012

Released at 8:30 a.m. Eastern time in The Daily, Thursday, February 11, 2016

The [Canadian Classification of Institutional Units and Sectors](#) (CCIOUS) 2012 is now available. CCIOUS 2012 is the departmental standard for classifying institutional units and sectors.

Developed by Statistics Canada, this classification is used for economic statistics and now includes definitions for its 171 classes. These definitions were not available in the previous version, the 2008 Classification of Institutional Units by Sectors.
