

Farm operating revenues and expenses, 2014 (final)

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, March 31, 2016

Average operating revenues per farm in Canada amounted to \$418,080 in 2014, up 7.7% from 2013, according to taxation records.

All 11 major farm types posted higher average operating revenues. Hog farms had the largest increase (+25.5%), followed by beef cattle farms (+20.8%), and greenhouse, nursery and floriculture operations (+15.1%).

Average operating expenses rose 8.9% to \$347,084, with the largest increases coming from hog farms (+17.2%), beef cattle farms (+16.7%), and greenhouse, nursery and floriculture operations (+16.2%).

Average operating revenues increased in every province in 2014 except Prince Edward Island, Nova Scotia and New Brunswick. Newfoundland and Labrador (+22.5%), Saskatchewan (+14.4%) and Alberta (+10.3%) recorded gains above the national average.

Note to readers

The Agriculture Taxation Data Program uses taxation records to produce detailed data for Canada and the provinces on operating revenues and expenses for the agriculture sector.
