<sup>p</sup> preliminary

1. Percentage change is based on unrounded data.

2. Totals exceed the sum of "same-day car trips" and "total trips, one or more nights" because they include all of the same-day trips.

3. Data for the United States include counts of cars and buses, and data for planes, trains, boats and other methods of transportation.

4. Figures for other countries exclude same-day entries by land only via the United States.

5. Overseas markets refer to countries other than the United States.

6. Includes same-day and overnight trips.
