

# Longitudinal Employment Analysis Program, aggregate business dynamics measures, 2001 to 2015

*Released at 8:30 a.m. Eastern time in The Daily, Monday, June 26, 2017*

---

To ease access to business dynamics data across different dimensions, the data in CANSIM tables 527-0001, 527-0002, 527-0003, 527-0004, 527-0005 and 527-0006 will be assembled into CANSIM table 527-0001. The change will be effective June 28, 2017.

After that date, CANSIM tables 527-0002 to 527-0006 will be deleted. The data from these tables will continue to be available in CANSIM table 527-0001. The transfer of data across the tables will lead to changes in the vector numbers (V-numbers) and coordinates associated with the data.
