

Coal and coke statistics, November 2017

Released at 8:30 a.m. Eastern time in *The Daily*, Wednesday, January 31, 2018

Monthly data for November on the production and export volumes of coal, by coal type and use, are now available. Data are available at the national level and by coal-producing province.

Monthly data for November on the volume of coal received by coal coke plants and the volume of coke produced and sold are also now available. Data are available at the national level only.

Note to readers

The purpose of this release is to provide a monthly indicator of the supply of coal and coke in Canada.

Data revisions have been made from January 2015 to October 2017.

Available in CANSIM: tables [135-0001](#) and [135-0002](#).

Definitions, data sources and methods: survey numbers [2003](#) and [2147](#).
