

StatCan Blog: Cannabis legalization: Why proximity matters

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, October 25, 2018

Now that cannabis is legal, the question for some Canadians is where to acquire it.

This month's *StatCan Blog* highlights the latest in the agency's year-long efforts to prepare for the change in legislation: a study to determine how accessible this product will be in the immediate aftermath of legalization, using a similar regulated product—liquor—as a benchmark.

The article "[Cannabis legalization: Why proximity matters](#)" is now available as part of the *StatCan Blog*.
