

Government expenditures and revenues in the transportation sector, Transport Canada data, 2016

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, March 26, 2019

Selected data from the *Addendum* to Transport Canada's *Transportation in Canada* annual report are now available.

Government spending and revenues related to transportation are available at the federal, provincial and territorial and municipal levels.

Note to readers

The Transportation in Canada report and its accompanying Addendum are published by Transport Canada every year. The data in this release are based on the 2016 edition of this report, and cover a ten year period. These data will be updated to coincide with the next edition of this report. Additional tables will be published in the future, drawn from this same report.

Available tables: [23-10-0229-01](#), [23-10-0242-01](#), [23-10-0246-01](#) to [23-10-0248-01](#) and [23-10-0264-01](#).

Definitions, data sources and methods: survey number [5292](#).
