Released at 8:30 a.m. Eastern time in *The Daily*, Monday, November 1, 2021

The fall 2021 issue of the publication *Education Indicators in Canada: Report of the Pan-Canadian Education Indicators Program* ([81-582-X](#)) is now available. This edition includes internationally comparable indicators on educational attainment, education finance and labour market outcomes that were previously available in the publication *Education Indicators in Canada: An International Perspective* ([81-604-X](#)). Indicators on transitions to postsecondary education and transitions to the labour market have also been updated for this edition.

The publication *Education Indicators in Canada: Handbook for the Report of the Pan-Canadian Education Indicators Program* ([81-582-G](#)) is also available. This handbook provides general descriptions for each indicator, explains the major concepts discussed, and includes definitions, as well as overview of methodology, limitations and data sources.

## Note to readers

The Pan-Canadian Education Indicators Program is an ongoing initiative of the Canadian Education Statistics Council, a partnership between Statistics Canada and the Council of Ministers of Education (Canada) that provides a set of statistical measures on education systems in Canada.
