

# Canada's population estimates: Age, sex and marital status, July 1, 2021

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, November 4, 2021

Population estimates by marital status, legal marital status, age and sex for Canada, the provinces and territories, as of July 1, 2021, are now available. Revised estimates as of July 1, for the years 2017 to 2020, are also available.

## Note to readers

*The estimates released today are based on the 2016 Census population counts adjusted for census net undercoverage and incompletely enumerated Indian reserves, to which estimates of population change for the period from May 10, 2016, to the date of the estimates are added.*
