

Gender Results Framework: Update to data table on federally elected officials

Released at 8:30 a.m. Eastern time in *The Daily*, Monday, November 8, 2021

Statistics Canada's Centre for Gender, Diversity and Inclusion Statistics has released 2021 data on the distribution of women and men in federal Parliament and Cabinet. Additionally, the statistics for members of the 43rd Parliament and Ministers of the 29th Cabinet have been updated to reflect recent changes. These statistics are used by the [Gender Results Framework](#), a whole-of-government tool designed to track gender equality in Canada.

These data are housed in the [Gender, Diversity and Inclusion Statistics Hub](#).

Note to readers

Statistics released today use open data from the [House of Commons of Canada](#). Open data refers to structured data that are machine-readable and freely shared, used and built on without restrictions. The data included in this table are sourced from the House of Commons of Canada and are licensed under [the Open Government Licence – Canada](#).

Definitions, data sources and methods: survey number [5348](#).

Available tables: table [10-10-0137-01](#).
