

Preliminary population estimates for municipalities in Atlantic provinces, as of July 1, 2021

Released at 8:30 a.m. Eastern time in The Daily, Friday, November 26, 2021

In response to emergency situations in Atlantic provinces (Newfoundland and Labrador, Prince Edward Island, Nova Scotia, New Brunswick), preliminary population estimates (as of July 1, 2021) for municipalities of these provinces are available today upon request. Preliminary subprovincial population estimates for all provinces and territories will be released on January 13, 2022.
