

Consulting Services Price Index, third quarter 2021

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, January 27, 2022

The Consulting Services Price Index (2018=100) is now available for the third quarter.

Note to readers

The Consulting Services Price Index is a quarterly survey that measures changes over time in the prices of management, environmental, scientific and technical consulting services.

With each release, data for the previous quarter may have been revised. Data are also subject to an annual revision with the release of second-quarter data of the following reference year. The index is not seasonally adjusted. Data are available at the Canada level only.

For a more detailed explanation of the methodology used, please consult the "[Technical Guide for the Consulting Services Price Index \(COSPI\)](#)."

Products

Statistics Canada launched the [Producer Price Indexes Portal](#) as a part of a suite of portals on prices and price indexes. This webpage provides Canadians with a single point of access to a wide variety of statistics and measures related to producer prices.

The video "[Producer price indexes](#)" is available on the Statistics Canada Training Institute webpage. It provides an introduction to Statistics Canada's Producer Price Indexes—what they are, how they are made, and what they are used for.

Available tables: table [18-10-0178-01](#).

Definitions, data sources and methods: survey number [5194](#).
