### Note to readers

Dairy statistics are available for Canada and the provinces.

**Milk sold off farms, total** is the total milk sold from Canadian farms; it includes milk for fluid purposes and milk for industrial purposes.

**Milk sold for fluid purposes** is milk used for table milk and cream (excluding sour cream).

**Milk sold for industrial purposes** is milk used for manufactured products such as butter, cheese, yogurt and ice cream.

Data on dairy statistics have higher rates of estimation since the January 2021 reference month, as a result of higher non-response rates. These data may be subject to revision. For more information on estimation and imputation, refer to the "Related information" (Definitions, data sources and methods) for this release.
