

Local Environments Lift Life Satisfaction, 2021

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, May 3, 2022

People in Canada tend to report having high levels of satisfaction with their local environment. This infographic showcases selected data from Wave 2 of the [Canadian Social Survey](#) (August to September 2021). Visuals highlight data for the population aged 15 years and older in Canada's 10 provinces who reported a high level of satisfaction with their local environment, by age, gender, geographic region, and the outdoor activities in which they chose to participate over the past year.

Definitions, data sources and methods: survey number [5354](#).

The infographic "[Local Environments Lift Life Satisfaction](#)," which is part of *Statistics Canada — Infographics (11-627-M)*, is now available.
