

Police-reported crime statistics: Data now available in the Canadian Statistical Geospatial Explorer

Released at 8:30 a.m. Eastern time in The Daily, Tuesday, August 9, 2022

Police-reported crime indicators are now available in the Canadian Statistical Geospatial Explorer (CSGE). The CSGE allows users to visually explore data on topics, such as the Crime Severity Index, crime rate, hate crime, cybercrime, organized crime, homicide, and police resources. The data can be viewed at various levels of geography and for multiple years.

Definitions, data sources and methods: survey numbers [3301](#), [3302](#) and [3315](#).

New data were released in the "[Canadian Statistical Geospatial Explorer Hub](#)" ([71-607-X](#)) today.
