

Education Indicators in Canada

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, September 8, 2022

The fall 2022 issue of the publication [Education Indicators in Canada: Report of the Pan-Canadian Education Indicators Program, September 2022](#) is now available. High school graduation rates at the national and provincial/territorial level have been updated for this edition.

The publication *Education Indicators in Canada: Handbook for the Report of the Pan-Canadian Education Indicators Program* ([81-582-G](#)) is also available. This handbook provides a general description of each indicator, explains the major concepts discussed, and includes definitions, as well as an overview of methodology, limitations and data sources.

Note to readers

The Pan-Canadian Education Indicators Program is an ongoing initiative of the Canadian Education Statistics Council, a partnership between Statistics Canada and the Council of Ministers of Education (Canada) that provides a set of statistical measures on education systems in Canada.

Available tables: [table 37-10-0221-01](#).

Definitions, data sources and methods: [survey number 7520](#).
