

Multimodal Safety and Security Programs Oversight Delivery Indicators, first quarter 2022/2023

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, December 13, 2022

Transport Canada's Multimodal Safety and Security Programs Oversight Delivery Indicators are now available for the first quarter of the 2022/2023 fiscal year (i.e., April to June 2022).

Note to readers

Transport Canada's safety and security programs provide a broad range of activities. These include regulatory authorizations, such as the issuance of certificates and licenses to people, organizations or for equipment; compliance verifications through inspections and audits; and enforcement actions in response to non-compliance. They also include education and outreach activities targeting key stakeholders, such as regulatory bodies, as well as the general public.

The [Transportation Data and Information Hub](#) provides Canadians with online access to comprehensive statistics and measures on the country's transportation sector.

Available tables: [23-10-0001-01](#), [23-10-0073-01](#), [23-10-0268-01](#) and [23-10-0272-01](#).

Definitions, data sources and methods: survey number [5292](#).
