

# Selected quality of life indicators in Canadian municipalities, 2021

Released at 8:30 a.m. Eastern time in *The Daily*, Friday, July 14, 2023

---

## Data visualization for selected Quality of Life indicators

Today, Statistics Canada is releasing an interactive dashboard that allows users to visualize selected Quality of Life indicators for Canadian municipalities. It presents the most recent data available from the Census of Population for census subdivisions.

To consult this new visualization tool, visit the [Centre for Municipal and Local Data](#).

### Definitions, data sources and methods: survey number [3901](#).

The data visualization product "[Municipal Quality of Life Dashboard](#)," which is part of *Statistics Canada – Data Visualization Products (71-607-X)*, is now available.
