

# Dairy statistics, July 2023

Released at 8:30 a.m. Eastern time in *The Daily*, Tuesday, September 26, 2023

---

Dairy statistics for July are now available for Canada and the provinces.

## Note to readers

Data on dairy statistics have higher rates of estimation since the January 2021 reference month as a result of higher non-response rates. These data may be subject to revision. For more information on estimation and imputation, refer to the "Related information" page (Definitions, data sources and methods) for this release.
