Statistics Canada launched the [Producer Price Indexes Portal](#) as part of a suite of portals for prices and price indexes. This webpage provides Canadians with a single point of access to a wide variety of statistics and measures related to producer prices. The portal offers an array of information on topics such as manufacturing, construction, professional services, distributive trades and financial services. The portal will be updated regularly as new information becomes available.

The video "[Producer price indexes](#)" is available on the Statistics Canada Training Institute webpage. It provides an introduction to Statistics Canada's producer price indexes—what they are, how they are produced, and what they are used for.
