## Note to readers

*Transport Canada's safety and security programs provide a broad range of activities. These include regulatory authorizations, such as the issuance of certificates and licenses to people, organizations or for equipment; compliance verifications through inspections and audits; and enforcement actions in response to non-compliance. They also include education and outreach activities targeting key stakeholders, such as regulatory bodies, as well as the general public.*

*The [Transportation Data and Information Hub](#) provides Canadians with online access to comprehensive statistics and measures on the country's transportation sector.*

**Available tables:** [23-10-0001-01](#), [23-10-0073-01](#), [23-10-0268-01](#) and [23-10-0272-01](#).

**Definitions, data sources and methods:** survey number [5292](#).
