

Farm product prices, July 2026

Released at 8:30 a.m. Eastern time in *The Daily*, Thursday, September 10, 2026

Monthly provincial prices received by farmers in July for grains, oilseeds, specialty crops, cattle, hogs, poultry, eggs and dairy products are now available.

Note to readers

The prices of over 35 commodities are available by province, with some data series going back 40 years. Price data are extracted from administrative files and derived from Statistics Canada surveys.
