

## Rough diagram of layout of classroom display

	1867	1900	1901	1934	1935	1967	
Topic 1	Pictures, graphs, diagrams, explanations, etc.						→
Topic 2	Pictures, graphs, diagrams, explanations, etc.						→
Topic 3	Pictures, graphs, diagrams, explanations, etc.						→

When you have completed your research, you will create a timeline for your topic. Eventually, all the topics will have a chronological timeline that can be compared, as in the above example. There will be a timeline for telegraphs, telephones, radio and television, newspapers, wireless and the Post Office.
