

## Student worksheet 4: Individual research organizer

Name: \_\_\_\_\_

Key message or focus of research	
Focus question(s) using the 5 Ws and how	What you found out

### Other relevant information you discovered during research

---

---

---

---

---

---

---

## Sources used for research

---

---

---

---

---

---

---

**Presentation plan:** Draw a sketch of what your finished product will look like. Include details such as where each element will be located, how you will make the text stand out (e.g., mount it on coloured paper) and where you will list all the sources you used.
