

Student worksheet 7: Recording organizer for home groups

Group topics	Discussions and comparisons	General conclusions
Group 1: Wages		
Group 2: Prices		
Group 3: International trade		
Group 4: Productivity		
Group 5: Accumulation of capital		
Group conclusions Find correlations and other connections. Establish patterns in rates of change of variables over the century. Are there direct relationships among the variables you have just shared? How will your report reflect this?
