

Student worksheet 8: Format for the report

Title: _____

Author: _____

Date of report: _____

Intent of report: _____

Keywords in the report: _____

Summarize four major points or trends from your sharing and discussion. Make connections among the factors you studied. This part of your report will be in paragraph form, using appropriate terminology.

Assess the connections or interrelationships among the factors. You will need to rank the factors in order of importance, with the most significant first.

Sources of materials: List the *Canada Year Book* references that support your ideas.
