

# Portrait of households and families in Canada

2016 CENSUS

## Portrait of Canadian households

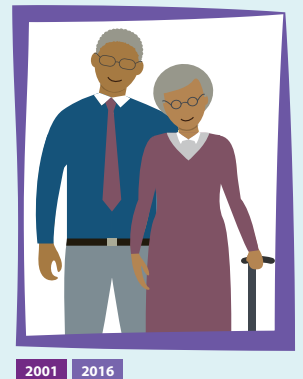

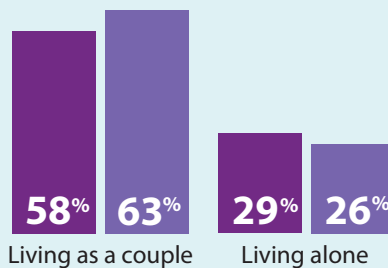

## Common-law unions

**35%** of young adults in Canada aged **20 to 34** living with their parent(s) - close to **1 in 2** in Oshawa and Toronto.

## More seniors living as a couple in 2016, fewer living alone

Note: Private households only, excludes nursing homes and residences for senior citizens.
