1. Data for Canada include Royal Canadian Mounted Police (RCMP) personnel assigned to operations, corporate headquarters, RCMP Academy, Depot Division, and forensic labs. They are not represented on the map.

2. Data are collected from police services through self-identification by personnel.

**Note:** Data on overall police personnel, women in policing, and Indigenous and racialized personnel are based on a "snapshot date" of May 15, 2023. The other data in this infographic represent the calendar year ending December 31, 2022 (or March 31, 2023, as some police services operate on a fiscal year basis). Percentages may not add up because of rounding.
