

END POVERTY IN ALL ITS FORMS EVERYWHERE

From 2019 to 2020, the poverty rate fell almost **40%** to **6.4%**.

SOCIOECONOMIC IMPACTS

Over **1 in 10** Indigenous persons aged 16 and older lived in poverty in 2020 - **double** the rate of **non-Indigenous** persons.

People with disabilities aged 16 and older continue to be at higher risk, with a rate of **8.5%** in 2020.

FAMILIES AND POVERTY

The **child** poverty rate was **cut in half** in 2020.

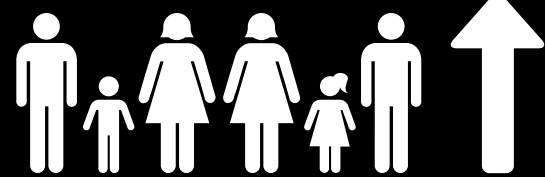

Children in **couple families** experienced the **lowest** rates of poverty among all children (**3%**).

Poverty for **female lone-parent families** decreased by **41%** in 2020.

However, they experienced more than **double** the poverty rate of **male lone-parent families**.

1,400,000 + lifted out of poverty since 2019 largely because of government transfers from COVID-19 relief programs.

RESILIENT CANADIANS

In 2019, **67%** of Canadians had enough savings* to cover **unexpected expenses** or **reduced income** for 3 months.

Only **41%** of **lone-parent families** could do the same.

*Savings refers to liquid assets including bank accounts, term deposits, treasury bills, tax-free savings accounts, stocks and bonds (in mutual funds or not), and registered retirement savings plans.

RESILIENT COMMUNITIES

In 2020, Canada implemented **disaster risk reduction strategies**.

- ✓ **Sendai Framework**
- ✓ Collaboration
- ✓ Prevention
- ✓ **Building back better**

COMMUNITY SPOTLIGHT

ΔοΔϵ ϸΛηϵ βοϸΓ
INUIT TAPIIRIT KANATAMI

ITK is the national representational organization **protecting and advancing** the rights and interests of **Inuit in Canada**.

% LIVING IN LOW-INCOME HOUSEHOLDS IN INUIT NUNANGAT (2016)

Inuit	Non-Indigenous Persons
22.5%	3.1%

ITK is working to capture the **true depth of poverty for Inuit** with Inuit-specific metrics of poverty.

Their work on **cost of living** aims to measure costs of both modern & traditional economies.

ITK will use this to develop an **Inuit Poverty Reduction Strategy** to target poverty in Inuit Nunangat.

Footnote: The Canadian Income Survey covers all individuals in Canada, excluding persons living on reserves and other Indigenous settlements in the provinces, the institutionalized population, and households in extremely remote areas with very low population density.
