percent								
Percentage of total water intake	12.4	76.8	3.3	2.7	x	4.7	x	100.0

1. For both 2007 and 2009, data for the Great Lakes drainage region, the Ottawa drainage region and the St. Lawrence drainage region were combined under the Great Lakes drainage region. For all other years they appear separately.

Note(s): Figures may not add up to totals due to rounding.

Source(s): Statistics Canada, CANSIM tables 153-0050 and 153-0051.
