1. Beginning in June, 2002 excludes deliveries to process elevators.

2. Includes unlicensed shipments to U.S. markets.

3. Includes wheat (excluding durum), durum wheat, oats, barley, rye, flaxseed and canola.

4. Includes British Columbia.

Note(s): Deliveries are as reported by the Canadian Grain Commission (with any adjustments prorated monthly) plus estimates for unlicensed deliveries.

Includes deliveries to condominium storage as of August, 2003. Negative deliveries may indicate that farmers removed more grain from condominium storage than they delivered.
