Canadian Foreign Post Indexes May 2018

Release date: May 3, 2018

NOTICE TO USERS

As of July 2018, the Private Sector table will be discontinued and the Exchange Rate will no longer be published on the remaining tables.

These indexes are calculated to establish and adjust the Post Living Allowance (PLA) paid to Canadian government employees serving outside Canada. They are comparative measurements that numerically express the difference between the retail prices of a representative basket of goods and services at a foreign location with prices for a similar basket of goods and services in Ottawa.

Four separate groupings of indexes are provided, each among them reflecting the specific terms and conditions of service for the members of one of the following categories of personnel:

- persons serving under the terms and conditions of the Foreign Service Directives (FSDs);
- persons working under the provisions of the Technical Assistance Handbook (TAH);
- Canadian Forces members serving outside the country either under the terms and conditions of the Military Foreign Service Instructions (MFSIs) or the Foreign Service Directives (FSDs);
- persons working in the Private Sector.

The Guide to the Post Index (www.statcan.gc.ca/pub/62f0072g/62f0072g2010001-eng.htm), which was revised in June 2010, remains available.

Monthly release notes

May 2018

This is to advise you of the renewed validity of Post Indexes calculated for the purpose of the Post Living Allowance applicable to Canadian Government expatriate personnel or persons under contract. All users must consult with Statistics Canada to ensure that the appropriate index is used.

The Guide to the Post Index (www.statcan.gc.ca/pub/62f0072g/62f0072g2010001-eng.htm), which was revised in June 2010, remains available.

The analysis of Post Index surveys has been completed for the following locations. The results incorporate the analysis of prices and costs for goods and services purchased in the local economy or from import sources at the time these surveys were carried out, as well as adjustments to the indexes as indicated by our continuing monthly reviews.
