1. In New Brunswick in 2004/2005, many members of the private bar refused to take legal aid cases.

2. For Quebec, the breakdown in expenditures for staff lawyers is estimated.

3. Ontario has 79 legal aid clinics that are independent, non-profit organizations funded by the legal aid plan. Staff lawyers and community legal workers at these clinics provide legal aid services primarily in "other" civil matters, particularly in the area of poverty law which includes, social assistance/income maintenance, landlord and tenant, workers' compensation, criminal injuries compensation, and refugee and immigration matters. In 2008/2009, these clinics accounted for about 95% of direct staff expenditures on "other" civil matters. Ontario's figure for direct legal aid expenditures includes an estimate for work done by private lawyers, but not billed to the legal aid plan by year-end. A change in the method used to estimate this figure resulted in a one-time increase in direct legal services expenditures (affecting criminal and civil matters) of \$33.6 million in 2005/2006.
