

Table 25-1
Spin-offs companies grouped by North American Industry Classification System (NAICS) — 2007

	Spin-off companies	
	number	percent
Total spin-offs	1,174	100
Service industries	651	55
Manufacturing industries	135	11
Wholesale trade	30	3
Other industries	32	3
Industry information not available	326	28

Note(s): These estimates represent an inventory of all spin-off companies reported by educational institutions since 1999, regardless of the status of those spin-offs over time (e.g. active, inactive, merged or amalgamated). Components may not add to total due to rounding.
