Note of appreciation

Canada owes the success of its statistical system to a long-standing co-operation involving Statistics Canada, the citizens of Canada, its businesses, governments and other institutions. Accurate and timely statistical information could not be produced without their continued co-operation and goodwill.

PREFACE

Thank you for your interest in the content of the 2001 Census of Canada. The 2001 Census will be the first national enumeration of the population taken after the turn of the century.

The following *Consultation Guide* has been developed to help you contribute your ideas and suggestions to Statistics Canada regarding the content of the 2001 Census questionnaire.

How can you make your views known? If you wish to make a comment or proposal on the content of the 2001 Census, please submit a letter or written brief to:

Pamela White
Manager
2001 Census Content Determination Project
Statistics Canada
3-B-4, Jean Talon Building
Tunney's Pasture
Ottawa, Ontario
K1A 0T6

Tel: (613) 951-6994
Fax: (613) 951-9300
Internet: consultation2001@statcan.ca

To have an impact on content testing, your brief should be received by the Content Determination Project by March 31, 1998. Due to the requirements to establish a geographic infrastructure early in the census cycle, submissions regarding geographic issues should be received by September 30, 1997.

Internet users wishing more information on Statistics Canada in general and on the census in particular should visit the Statistics Canada website at: **<http://www.statcan.ca>**
