

4. Analytical Products

Throughout 1998 and 1999, Statistics Canada analysts will produce general-interest articles on social, demographic and economic issues using 1996 Census data. The articles will appear in Statistics Canada periodicals, such as *Canadian Social Trends*, *Canadian Economic Observer* and *Perspectives on Labour and Income*, and in other professional statistics and demography journals. In addition, *The Daily* contains announcements of major census data releases, highlights of analytical studies and a summary of key trends.

Note: The *Focus on Canada* series and the monographs will not be produced for 1996.
